

SEG is looking for an experienced CDL Driver with Clean Record and Mechanical / Technical capabilities.

Are you a Professional individual with a personable approach and the skills to join our fast growing company in the exciting event industry? SEG is recruiting an excellent Driver to fill the position of Mobile LED Screen & Event Equipment Driver. Suitably qualified applicants with excellent driving skills and a clean CDL license can apply. Applicants will need to demonstrate similar Over the Road driving experience, be available to work Multi Stop Trips or Tours and weekends, as needed, and have mechanical & technical ability. In-addition applicants must have the ability to lift and carry up to 50lbs and sit for long periods.

The Role:

- Collect, Final Load Check, Deliver and Set Mobile LED Screens at Events
- With Training provide On site Support to On site Production Team
- With Training reach the ability to deliver a 1 Person "Park & Set" Show
- Final Check Packing Return to shop or deliver to next show stop
- On the Road Simple Maintenance of Hauler / Trailer
- Learn and use the SEG Inventory system to maintain Job Costing Equipment Location Records for delivered equipment
- From time to time Drive smaller Vehicles to support larger production events
- Follow, Adhere to DOT Rules & Regulations and Maintain required Logs & Records accurately

Personal Requirements

- Multi year driving experience with Haulers, OTR or Show Experience a definite advantage
- Clean & Current Driving Record Paperwork including Drug Screening as per the SEG Program
- Be presentable, personable and capable of communicating with clients. Often you will be the first person on site representing SEG with new customers.
- Computer Literate – ability to learn and operate basic Computer applications
- **ADVANTAGES:** Personal Experience with Video or AV or Event Services a plus

SEG is a Utah Based, fast growing, exciting company with a great team and great repeat customers. Rapidly becoming one of the leading LED screen providers in the USA. Our events include Action Sports, Motor Racing, Winter Sport, Cycling Events, Concerts, Rodeos, Fairs, Graduations, Conferences, Watersports, Surfing, Skating and many others. They take place throughout the USA and as far as Canada.

At SEG our philosophy is to Concentrate on the Customers Show or Event, delivering the best we can for them. Being part of this team is challenging and rewarding and offers the room to grow in a rapidly expanding environment. The Correct individual will equally learn from and contribute to SEG in this quest.

Please send an application which includes, Driving Experience, Driving Credentials, Relevant Experience, providing as much detail as is relevant to support your application. Please also provide a short relevant introduction explaining why you will be a fit for the SEG role.
